TERMINAL DISCLAIMER

Honorable Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Sir:

I, Donald W. Bryan, the applicant in the matter of the above-identified patent application and the sole owner of the invention claimed therein pursuant to the provisions of 37 CFR § 1.32(b) hereby disclaim the terminal part of claim 23 that would otherwise extend the term of claim 23 beyond the term of United States Letters Patent No. 5,498,262 of which patent I am the sole inventor and the owner of all right, title, and interest.

Signed at Ogden, Utah Utah this 14 day of
January 1998.

Respectfully submitted,

Donald W. Bryan
